**Field Reservations and Scheduling** - All city league programs, events and city approved recreational programs have priority for field usage. Each team or organization requesting field usage must provide proof of insurance and team roster with players' addresses. In the event of a field closure, Daphne Recreation will make its best effort to reschedule a makeup practice. Correct contact information is also required with each reservation so unexpected problems or closures can be communicated quickly.

**Maintenance Closures & Field Status Recommendations** - Fields may be closed at the discretion of the Recreation department or a designated City of Daphne representative for certain operations such as general field maintenance, rest and renovation following events or seasons or inclement weather. Users will be notified in advance whenever possible.

**Alterations; Loss or Damage to Facilities** - Field users shall not alter the facilities in any manner without the City's prior written approval.

**Field Rental Fees** - See table below for field rental pricing.

The fees will help offset the cost of field lighting, routine maintenance and improvements. Reservations may be made for 2 hours at a time. Practice slots will be 5:00PM-7:00PM and 7:00PM-9:00PM.
