Any person who installs fire pumps must be licensed by the Alabama State Fire Marshal's Office and approved by the Fire Code Official.

No person shall install a fire pump without first obtaining a permit from the Bureau of Fire Prevention.

Installer must have fire pump plans reviewed by the Fire Code Official before commencing installation.

All testing of the fire pump shall comply with NFPA 25. The Fire Code Official may require certain operational test upon final inspection.

General Requirements:

- Current City of Daphne Business License
- General Liability Insurance for \$1,000,000 with the City of Daphne listed as a certificate holder
- Current Training Certificates, Manufacturers or NICE for all technicians (these must be submitted each year)
- Check made payable to the *City of Daphne*. (Credit cards are NOT accepted at this time.) The current permit fee to install a fire pump is \$75.00.
